## About the National Seminar

Soft skill development enhances personal and professional growth by improving communication, teamwork, leadership, adaptability, and emotional intelligence. These skills foster better relationships, boost confidence, and increase employability. Continuous practice and self-awareness are key to mastering soft skills, which are essential for success in today's collaborative and dynamic work environments.

## About Maa Shakumbhari University

Maa Shakumbhari University, established under the Uttar Pradesh State Universities Act, 2019, strives to be a leading center for higher education, promoting knowledge and development in Saharanpur and surrounding areas. Inaugurated on December 2, 2021, the 50-acre campus in Punwarka serves Saharanpur, Muzaffarnagar, and Shamli districts, benefiting over 1.5 lakh students from numerous affiliated colleges. The university focuses on providing quality education, enhancing employment opportunities, especially for women, and fostering a dynamic academic atmosphere. With a vision aligned with the New Education Policy, it aims to empower students and contribute to regional growth through excellence in education.

## About Botany Alumni Association

The Alumni of the Botany Department, were regularly visiting the Department to meet and pay respects to their teachers since 1975, after obtaining M.Sc. Botany degree, from the then Institute of Advanced Studies. But contribution of alumni in to the Department and its students began since 2015 when the then Head, Professor Y. Vimala organized a mega event to celebrate the Silver Jubilee and invited large number of Alumni working in different professions, especially who were in Administration, Academics & Research at different places in the country and abroad. Many of them were already in contact of Professor Y. Vimala. Slowly but steadily, alumni network started growing bigger and bigger. After first Mega Meet of alumni in 2015, meets became a regular phenomena of Botany Department every year.
